

In the City Council,
City of Lodi,
Lodi, California.

RESOLUTION NO. 1291

**RESOLUTION REQUESTING THAT THE STATE OF
CALIFORNIA FINANCE INVESTIGATIONS FOR
RECORDING STREAM FLOW ON THE MOKELUMNE
RIVER IN COOPERATION WITH THE UNITED
STATES GEOLOGICAL SURVEY.**

WHEREAS, as of July 1, 1939 the City of Lodi entered into a cooperative agreement with the United States Geological Survey for the making, recordation and publishing of stream flow records on the Mokelumne River at Clements, Woodbridge and the Woodbridge Irrigation District's canal, which agreement, as renewed from time to time, obligated this City to pay one half of the costs of such stream flow investigations, and,

WHEREAS, since July 1, 1939 the City of Lodi has contributed to date the sum of Seven Thousand Four Hundred Dollars (\$7 400.00) to the making of these records under the agreement above mentioned, and,

WHEREAS, the records so obtained and published are of state wide interest and value and are used by departments of the State in their studies of water uses, salinity control and the like as well as by state-federal agencies and property owners down stream from the measuring stations who do not contribute to the cost of making these investigations, therefore,

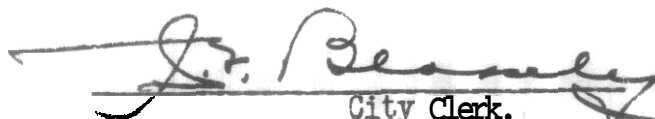

BE IT RESOLVED, that this City Council does hereby request the Director of Finance to allocate Californis State funds as may be necessary hereafter to provide for the continuation of stream gauging records on the Mokelumne River at the Clements, Woodbridge and Woodbridge Canal gauging stations by cooperative agreement with the United States Geological Survey in order that authentic accurate records of stream flow be continued, the state funds so allocated and paid to he in lieu of the contributions now made by the City of Lodi.

BE IT FURTHER RESOLVED, that copies of this Resolution be presented to Edward Hyatt, State Engineer and James S. Dean, Director of Finance of the State of California.
